'MANLY AND THE ZOO' ITINERARY

The day begins as the group gathers at 8am at The Four Seasons Hotel in The Rocks. Overnight bags are taken for transfer to tonight's accommodation and at 8.30am the group makes the short walk across to Wharf 3 at Circular Quay, where we board the ferry for the 30-minute trip across Sydney Harbour to Manly.

We now join the 'Manly Scenic Walkway' a 10km track that we rate amongst Sydney's finest. After passing Federation Point, Delwood Beach and Fairlight Beach we arrive at North Harbour Reserve where we stop for morning tea.

Afterwards we follow the shoreline past Forty Baskets Beach and enter Sydney Harbour National Park. This section of the track offers endless panoramic views and we stop at one of the best vantage points, Arabanoo Lookout. We also visit Grotto Point at Dobroyd Head to see Aboriginal rock engravings up close.

After Castle Rock Beach the track winds down to Clontarf Beach and we follow the shoreline around until we come to the Spit Bridge. Lunch today is at the Middle Harbour Skiff Club overlooking the marina.

After lunch our walk takes us via Balmoral to Headland Park and the George's Head Lookout which features military fortifications from the 19th century and gun emplacements from WW II.

Soon after we join the 'Bungaree Walkway' where we encounter the old Submariners Miners Depot, Chowder Bay and Clifton Gardens Reserve. The final part of today's walk follows 'The Bradley's Head Walking Track' as it tracks the shoreline all the way to Taronga Zoo and the Wildlife Retreat, our accommodation for the evening. There is free time for you to relax before dinner is served at the award winning Me Gal Restaurant.

After breakfast the next day a private, guided tour through 'The Sanctuary' – a precinct exclusive to guests of the Wildlife Retreat – is scheduled.

Around 10am, after everyone has checked out, guests are escorted to the bus stop near the Retreat. It's a five-minute bus trip to Taronga Wharf and a 10 minute ferry ride to Circular Quay.
